

## **Storm Door Specifications**

Unit owners may install storm doors, at their own expense, in accordance with the following:

- The storm door can be full-view style with a center bar or retractable screen.

Recommended Options/Full View:

- Full View – Larson Signature Classic
- Full View – Larson Signature White Premium

Recommended Options/Retractable:

- Pella Montgomery Retractable
- Larson Tradewinds Retractable

- The door must be white and have **no** decorative moldings, etchings, bevels, crossbars or scalloped edges.
- Maintenance of the storm door is the responsibility of the homeowner.
- Brass lever handle.

**As long as compliance with these requirements is met, no Association written approval is necessary.**
