**Trash and Recycling Resolution**  
**Revised Trash Policy Effective May 15, 2018**

An unsightly condition caused by animals, birds, and mostly wind has been causing broken glass, food containers and papers to be spread everywhere in our neighborhood. In response to this problem and complaints by residents, the Board has implemented changes to the existing trash policy. These changes will standardize and simplify our trash policy. Please cooperate, as this new policy will improve the safety and aesthetics of our neighborhood.

All trash and recyclables must be put out for collection in a labeled container (GARBAGE or RECYCLABLES) that has a secure lid which must stay closed in windy conditions. All containers must have the house number clearly marked on them.

**Please note that the green, open top recycling bins are no longer acceptable.**

Lids must be attached to the containers so that they do not blow around after being emptied.

Cardboard must be taped up or tied in secure bundles.

**NO BAGS OF ANY TYPE CAN BE USED FOR GARBAGE, RECYCLABLES OR CARDBOARD.**

**Noncompliance**

- > **First Instance:** Warning letter mailed to your home
- > **Second Instance:** Warning letter mailed to your home
- > **Third Instance and Each One Thereafter:** Will result in a \$25.00 fine

This Resolution is unanimously accepted by the following Board members and will be effective May 15, 2018.
